

KENDRIYA VIDYALAYA REFINERY NAGAR MATHURA
CLASS-III
SUBJECT-EVS
HOLIDAY HOMEWORK

Note - Make a separate notebook for homework.

- 1 .Draw a picture of plants and label its parts.
2. Write any four uses and sources of water.
3. Name any four big plants (trees)near your house.
4. Collect pictures of useful animals and paste them.
5. Collect pictures of animals that you see in a zoo and make a collage.
6. Collect different types of leaves. Lay them between two sheets of newspaper and keep some heavy books on it. Leave them for sometime. Take them out when they are dry. Paste them in your homework notebook.
- 7.Draw and write names of five things made from wheat.
